v.)	MEMORANDUM AND ORDER

STANLEY G. TRYON,)	
)	
Defendant.)	

The defendant has moved to continue the pretrial motion deadline currently set for August 9, 2010. Filing No. 15. Defense counsel explains additional time is needed to gather information from medical providers and the Social Security Administration, with the ability to quickly gather and review this information further hindered by defense counsel's other trial commitments. Based on the showing set forth in the defendant's motion, the court finds the motion should be granted.

IT IS ORDERED:

- 1) The defendant's motion to continue, (filing no. 15), is granted and the defendant's pretrial motions and briefs shall be filed on or before September 14, 2010.
- 2) The ends of justice will be served by granting defendant's motion to continue the pretrial motion deadline, and outweigh the interests of the public and the defendant in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between August 9, 2010 and September 14, 2010, shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, for the reason that the parties require additional time to adequately prepare the case, taking into consideration due diligence of counsel, the novelty and complexity of the case, and the fact that the failure to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(7)(A) & (B).
- 3) The trial of this case is continued pending resolution of any pretrial motions filed.

DATED this 9th day of August, 2010.
